Dear Sir:

Your favour concerning the two gold coins which you have is at hand. This Museum does not care for these pieces but I will try to bear the matter in mind and mention the fact to someone of our members.

Why not write to Mr. Wayte Raymond, 489 Park Avenue, New York, as he may be interested in the coins.

Very truly yours,

Dear Mr. Wood.

The Proof "Stella"
1879. which I have written
to you about several times
is still (as far as I know)
undisposed of. The various
offers received from time to
time were not satisfactory
and I have now sent
it on to the Hanover Nath
Bank. 11. Nassau St. New
York for sale at $100. It can
be examined by your friends
I would be pleased to receive
receive offers for it and probably
the highest bidder will get
it. if it is around that figure.

Kindly do me the favor to mention the coin to any collectors who may be interested & ask them to step into the bank & see the coin & write me their best bid.

Thanking you in advance

Yours truly

F. J. Noble.

A straight Collector will pay a better price than a dealer. The latter wants too big a rake off.
